

# Stray capacitance

Stray capacitance..... 1  
1 Introduction ..... 1

Henry Gras, Jean Mahseredjian, 2020-10-16 16:44:00

## 1 Introduction

This device is an RLC: C device containing a database of stray capacitance value.

This database is built with the following references:

- IEEE Std C37.011-2011
- J.C. Das, "Transient in Electrical Systems", McGraw Hill, 2010
- Allan Greenwood, "Electrical Transients in Power Systems", Chapter13, Wiley-Interscience, 1991
